*The Friday Night Wine & Cheese
“Big Cheese/Fine Wine” Lottery*

At the last Friday night game of each month, we will select (by random drawing of tickets) one Life Master (the Big Cheese) and one Non-Life Master (the Fine Wine). These two players receive free plays for each Friday night game of the subsequent month. The chance of winning will be proportional to the number of lottery entries the player has earned that month. Players receive entries into the Lottery each month by receiving:

- 2 entries for each paid entry in a Friday night game*
- 3 bonus entries for playing in all of the Friday night games of a given month*
- 1 bonus entry for bringing a dish for everyone to enjoy*
- 1 bonus entry for being the high score in your strata*
