Refresher Bridge Games & Lessons

Mondays @ 7:00 PM

Tuesdays @ Noon

(Please arrive at least 15 minutes early if you need a partner!)

This game is designed for the serious social bridge player or those who have just completed a beginning bridge series of lessons. Emphasis is on teaching modern bidding methods, play-of-the-hand techniques and partnership defense. The first half hour of each game includes a lesson with handouts. Afterwards, we have supervised play where you play bridge hands (about 2 hours).

We expect everyone to have fun first, and learn a little bit about bridge. Questions and discussion are encouraged. These sessions are ideal for social bridge players who want to upgrade their knowledge and for those fresh out of the beginning series of classes. Players will find that after three to six months of actively participating in these lessons and games that they will have the knowledge and skills necessary to move on to Intermediate Lessons. The learning process will proceed more efficiently after having had this actual table experience.
